In 1970, The Dog House™ first opened its doors to serve Durham the best hot dogs in town. Forty-five years later, The Dog House™ has five locations throughout Durham and Hillsborough.

What makes our dogs so good? Our **Whopping Toppings®!** All of our toppings are prepared fresh. Our chili is made from our family's recipe, our homemade baked beans are slow-cooked to bring out all the flavors of our secret recipe, and our slaw and onions are freshly prepared.

Don't forget our NEW Brunswick Stew--our own delicious secret recipe! Try it on a plate with hushpuppies and slaw, or simply by the pint, quart or gallon!!
